Summary of Experience

Paul spent over 20 years in the New Zealand Defense Force & New Zealand Police developing a strong background in operational leadership. Paul has been fortunate enough to enhance this experience, leading International projects for commercial and not for profit organisations. Paul's time spent as the Operations Manager for Mills Albert Ltd has given him the foundation to recognize its strengths and ensure that Mills Albert Ltd provides quality services and solutions within our industry.

Recent Significant Projects

- Major Stream Realigning – CPB HEB (Transmission Gully)
- Rymans Healthcare Villages – Waikanae, New Plymouth & Petone.
- Forestry Harvesting & Engineering Infrastructure for major forestry management companies such as PF Olsen & Rayonier.
- Clearance contracts in the Middle East for Shell Oil, Exxon Mobil and BP.
